**Bushwillow School Fee
and
Enrolment / Admission
Policy**

07 October, 2019

1. Background

Bushwillow School is a privately-run school. The school does not receive any funding from the Department of Education and therefore relies on School Fees to be able to effectively run the school and to meet the operational financial requirements. The payment of school fees is compulsory and legally enforceable.

To ensure the long-term viability of Bushwillow School, it is necessary to act with financial prudence and to put in place procedures with regard to the payment of school fees, collection of school fees, arrear accounts and the recovery of debt.

The purpose of this policy is to provide an understanding of the school fee structure, clearly indicate the requirements of notice periods, and provide a standardised approach for the collection of outstanding fees.

This policy is in line with the enrolment contract as well as the provisions of the Consumer Protection Act 68 of 2008, and it is applicable to all parents/guardians/benefactors/sponsors of any children enrolled at Bushwillow School.

School fees are determined by the Bushwillow School Trust. Each year the fees will be reviewed by the Trustees and adjusted accordingly. Upon the setting of school fees, a letter of notification will be sent out by the Trust to the parents explaining the amendment in fees.

It is required that all parents read this policy, and return a signed copy to the school.

2. Fee Structure

Enrolment Fee: Once a completed application form has been received by the school, the applicant will undergo an entrance interview and if admitted will receive a letter of acceptance. A one-time enrolment fee is then payable. This fee is to be paid within seven days of the date of the acceptance letter in order to secure the applicant's place in the school. Should the fee not be paid within seven days, and no alternative arrangement is made, the applicant's place in the school will not be guaranteed. This enrolment fee must also be paid before the learner's first day of school.

- i. Note that when a child moves up from pre-primary to primary school, the current primary school enrolment fee will be payable less the pre-primary enrolment fee already paid.
- ii. **Stationery Fee:** An annual Stationery Fee is also due before the child starts school or before 1 January for the following years. This fee is to cover the learner's stationery and exercise books for the year. This fee is payable annually and needs to be paid in advance before the child starts at Bushwillow Primary.
- iii. **School Fees:** School Fees are payable in advance on or before the 1st of the month for all 12 months of the year.
- iv. **Sibling Discount:** A sibling's school fees will be discounted by 10% per sibling. This discount does not apply to the first child or to pre-school fees.
- v. **Annual Payment Discount:** An annual payment discount of 5% is offered for settling the school fees a year in advance, before the 1st of January.

3. Terms of School Fee Payment

- i. Enrolment Fees, Stationery Fees and School Fees are to be paid in advance and by no later than the dates stipulated above.
- ii. In the event of the party responsible for school fees not being able to comply with these terms, they must make a payment arrangement with the Bushwillow School Trust that is acceptable to the Trust. Should they fail to meet the arrangement, the account will be deemed

to be in arrears and the Trust will take the necessary steps to recover the outstanding amount, which may include suspending learners from the school.

- iii. An invoice will be sent by e-mail to the party responsible for paying the school fees as indicated on the application form. The onus is on the responsible party to ensure receipt of this invoice.
- iv. From time to time there will be additional charges for some learners for extra-curricula activities, these charges will be indicated on the applicant's statement. These charges are payable on the basis that they are indicated on the statement.
- v. The Bushwillow Trust reserves the right to do a credit check on the party responsible for paying school fees, either when the child is enrolled or at any other time during the child's enrolment at Bushwillow School.
- vi. Bushwillow reserves the right to suspend a learner if their school fees are more than 30 days in arrears.
- vii. Bushwillow School reserves the right to terminate a learner's enrolment if the school fees are more than 30 days in arrears and the applicants account remains in arrears for more than 14 days after written notice calling for payment.
- viii. Any outstanding fees from the previous year must be settled before the end of the year. Unless an arrangement is made that is acceptable to the Bushwillow School Trust. Applicants whose fees are in arrears and without any arrangement in place at the start of the new school year will be in breach of contract and the learner will not be allowed to return to the school.
- ix. One months notice is required in writing when withdrawing a student from the school, otherwise one months fees will be charged in lieu of notice. The notice of withdrawal must be received by the School Trust before the first of the month. If it is not received by the first of the month it will be considered notice for the following month.

4. Enrolment and Admission of Learners to Bushwillow Primary

- i. According to the South African Schools Act 84 of 1996, section 61(a), the admission policy of a school in South Africa is to be determined by the governing body of the school (in our case the Bushwillow Trust).
- ii. The Admission policy of Bushwillow School is drafted in accordance with the Bushwillow School Constitution and the Constitution of the Republic of South Africa.
- iii. Bushwillow School welcome learners into our school from all practically reachable surrounding areas. Priority however will be given to learners in our immediate area.
- iv. Applicants with siblings at Bushwillow School will enjoy preference in admission.
- v. The Trust reserves the right to a second interview with prospective learners and their parents in order to determine the suitability of the applicant.
- vi. All learners admitted at Bushwillow are admitted on an initial probation period for the duration of three months. During this time the enrolment can be terminated if the Trust feels there is enough reason to do so.
- vii. Creating a school of diversity and appreciating that diversity is a key part of the Trust's vision. The Trust understands that because of South Africa's history there is an enormous wealth and income gap in our country. In an effort to keep Bushwillow School accessible to previously disadvantaged families and to be part of a positive force for change in our community, the Trust has created a Bursary Scheme.
- viii. The Trust will consider all bursary applications and award bursaries at their discretion taking into consideration the financial circumstances of the applicant and the funds available to support these applicants. The applicant nominating the learner for a bursary should supply a letter of motivation as to why this learner should be awarded the bursary.
- ix. Bushwillow School does not make provisions for children with learning disabilities or other handicaps. This does not however mean we will not accept them. Each case will be considered individually and determined by the potential impact it may have on the class and school as a whole. In these cases the Trust may practice what is considered "fair discrimination" in the provisions of the Constitution of South Africa.

Please sign and return this policy document to the School as an indication of your acceptance of the above terms of the Bushwillow School Fees Policy.
